### RESOLUTION

Relative to the Abolition of the Electoral College and to the Election of President and Vice President by Direct Vote.

1 *Resolved*, That the congress of the United States be  
2 memorialized that it is the sentiment of the house of rep-  
3 resentatives and the senate of Massachusetts that the  
4 electoral college, so called, be abolished, and that it is  
5 believed action should be taken by the congress to abolish  
6 the electoral college, so that the people of the United  
7 States may vote directly for president and vice president  
8 and a plurality of votes of the nation determine the  
9 election of president and vice president.
