

SECTION 2. Said chapter 399 is hereby further amended by striking out section 2 and inserting in place thereof the following section:-

Section 2. This act shall cease to be operative on May seventh, nineteen hundred and seventy-nine.

Approved May 10, 1977.

Chap. 170. AN ACT AUTHORIZING THE CITY OF NEWTON TO PROMULGATE RULES AND REGULATIONS RELATIVE TO THE PARKING OF VEHICLES IN RESIDENTIAL AREAS OF SAID CITY.

Be it enacted, etc., as follows:

The city of Newton may by ordinance establish rules or regulations prohibiting the parking or standing of vehicles on the whole or any part or parts of one or more streets, ways, highways, roads or parkways under the control of said city. Such rules and regulations may provide that they shall not apply in such areas as shall be specified, and at such times as shall be prescribed to any motor vehicle registered under chapter ninety of the General Laws as principally garaged in said city and owned or used by a person residing in such area who, in the year in which such vehicle is parked or in the preceding December for such year, shall have given, by a writing executed in such form and detail as such rule or regulation shall prescribe, and filed with the proper administrative agency, notice of intention to park in such area and shall display in a conspicuous place on such vehicle, while parked, such visible evidence of the giving of such notice as such rule or regulation shall prescribe; but neither the giving of such notice nor the issuance of visible evidence of the giving thereof shall be construed to assign any specific space to any person or vehicle.

Approved May 10, 1977.

Chap. 171. AN ACT RELATIVE TO THE CREMATION AND DISPOSAL OF DISSECTED BODIES BY THE UNIVERSITY OF MASSACHUSETTS MEDICAL SCHOOL.

Be it enacted, etc., as follows:

SECTION 1. Chapter 75 of the General Laws is hereby amended by inserting after section 36 the following section:-

Section 36A. The University of Massachusetts medical school in Worcester may cremate the bodies of deceased persons which have been donated to said medical school and which have been used for the promotion of anatomical science, including the teaching thereof, or for any other purpose not inconsistent with chapter one hundred and thirteen, and may dispose of the ashes of such bodies by burial or other appropriate means; provided, that the remains of any bodies received pursuant to section eight of chapter one hundred and thirteen shall be subject to the terms of the donor's gift, if any.

SECTION 2. Section 4 of chapter 113 of the General Laws, as appearing in the Tercentenary Edition, is hereby amended by inserting after the word "buried", in line 9, the words:- or cremated.

SECTION 3. Subsection (a) of section 13 of said chapter 113, as appearing in chapter 653 of the acts of 1971, is hereby amended by adding the following sentence:- If the donee is responsible for the disposition of the body, he shall dispose of it in accordance with the terms specified by the donor, or if no such terms are specified, he shall have said body decently buried or cremated.

Approved May 10, 1977.

Chap. 172. AN ACT RELATIVE TO THE METHODS OF APPORTIONING SEWERAGE CONSTRUCTION COSTS IN THE TOWN OF WALPOLE.

Be it enacted, etc., as follows:

SECTION 1. Notwithstanding the provisions of section fifteen of chapter eighty-three of the General Laws or any special law to the contrary, the town of Walpole, acting through its board of sewer and water commissioners, may provide that assessments made under the provisions of section fourteen of said chapter eighty-three shall be made upon the owners of lands within such territory or any part thereof at a rate based upon a uniform unit method.

SECTION 2. For the purposes of this act, the uniform unit method of sewerage construction cost apportionment shall be deemed to mean that sewerage construction costs shall be divided between the total number of existing and potential sewer units to be served after having proportioned the cost of special benefit facilities and general benefit facilities. Each sewer unit shall be equal to a single family residence. Potential sewer units shall be
