
Edition, is hereby amended by striking out the first sentence and inserting in place thereof the following sentences:- In an action to establish paternity under this chapter, the court shall, on a motion of a party, and upon a proper showing, order the mother, the child, and the putative father to submit to one or more blood or genetic marker tests, to be performed by a duly qualified physician or other such expert. An affidavit by the mother or the putative father alleging that sexual intercourse between the mother and the putative father occurred during the probable period of conception shall be sufficient to establish a proper showing. The court may, in its discretion, order any person properly made a party under this chapter to submit to such testing.

Approved December 28, 1990.

Chapter 438. AN ACT RELATIVE TO REGULATIONS OF BOARDS OF HEALTH.

Be it enacted, etc., as follows:

The first paragraph of section 31 of chapter 111 of the General Laws, as appearing in the 1988 Official Edition, is hereby amended by striking out the second sentence and inserting in place thereof the following three sentences:- A summary which shall describe the substance of any regulation made by a board of health under this chapter shall be published once in a newspaper of general circulation in the city or town, and such publication shall be notice to all persons. No regulation or amendment thereto which relates to the minimum requirements for subsurface disposal of sanitary sewage as provided by the state environmental code shall be adopted until such time as the board of health shall hold a public hearing thereon, notice of the time, place and subject matter of which, sufficient for identification, shall be given by publishing in a newspaper of general circulation in the city or town once in each of two successive weeks, the first publication to be not less than fourteen days prior to the date set for such hearing, or if there is no such newspaper in such city or town, then by posting notice in a conspicuous place in the city or town hall for a period of not less than fourteen days prior to the date set for such hearing. Prior to the adoption of any such regulation or amendment which exceeds the *minimum requirements* for subsurface disposal of sanitary sewage as provided by the state environmental code, a board of health shall state at said public hearing the local conditions which exist or reasons for exceeding such minimum requirements.

Approved December 28, 1990.
