

the immediate preservation of the public convenience requires that the law being Chapter 453 of the Acts of 1967, entitled "An Act providing for the Entry of the Commonwealth into the Compact for Education," and the enactment of which received my approval on July 21, 1967, should take effect forthwith.

I further declare that in my opinion said law is an emergency law and the facts constituting the emergency are as follows:

The deferred operation of the prevention of this act would delay the Commonwealth from joining the Compact for Education and tend to defeat the purpose of the act.

Sincerely,

JOHN A. VOLPE,
Governor of the Commonwealth.

KEVIN H. WHITE,
