TRANSACTION TERMS:ACQUISITION: PURCHASE LEASEDISPOSITION: SALE LEASE**DESCRIPTION OF PROPERTY:**

The City of Fall River, will purchase two parcels of land from the Catholic Diocese of Fall River. The parcels are identified as Chicago St., Parcel A, .90 acres and Chicago St., Parcel B, 1.4 acres. The parcels abut the existing "Maplewood Park" and were owned by the City of Fall River prior to being gifted to the Catholic diocese of Fall River. This transaction is deemed an unique acquisition as the former church parking lot abuts the park and its baseball fields. The City of Fall River seeks to designate a portion of the acquired property as Open Space. Parcel A, the former parking lot covers an area of approximately 39,179 square feet, while parcel B has an estimated area of 60,750 square feet. The City of Fall River has determined that acquiring the parcels are necessary to promote public use and that it is in the City's best interest to acquire the parcels based upon their unique location abutting the existing Maplewood Park.

ESTIMATED VALUE, SOURCE OF VALUATION:

\$175,000.
