Dear Investor:

FINRA has generated the following BrokerCheck report for WILLIAM B. SMITH. The information contained within this report has been provided by a FINRA member firm(s) and securities regulators as part of the securities industry's registration and licensing process and represents the most current information reported to the Central Registration Depository (CRD®) system.

FINRA regulates the securities markets for the ultimate benefit and protection of the investor. FINRA believes the general public should have access to information that will help them determine whether to conduct, or continue to conduct, business with a FINRA member firm or any of the member's associated persons. To that end, FINRA has adopted a public disclosure policy to make certain types of information available to you. Examples of information FINRA provides on currently registered individuals and individuals who were registered during the past ten years include: actions by regulators, investment-related civil suits, customer disputes that contain allegations of sales practice violations against brokers, all felony charges and convictions, misdemeanor charges and convictions relating to securities violations, and financial events such as bankruptcies, compromises with creditors, judgments, and liens. FINRA also provides on a permanent basis certain information on former registered individuals, if any of the following applies, as reported to CRD on a uniform registration form: (1) the person was the subject of a final regulatory event; (2) the person was convicted of or pled guilty or nolo contendere to a crime; (3) the person was the subject of a civil injunction or civil court finding involving a violation of any investment-related statute(s) or regulation(s); or (4) the person was named as a respondent or defendant in an arbitration or civil litigation that resulted in an award, decision or judgment for a customer.

When evaluating this report, please keep in mind that it may include items that involve pending actions or allegations that may be contested and have not been resolved or proven. Such items may, in the end, be withdrawn or dismissed, or resolved in favor of the firm or broker, or concluded through a negotiated settlement with no admission or finding of wrongdoing.

The information in this report is not the only resource you should consult. FINRA recommends that you learn as much as possible about the individual broker or brokerage firm from other sources, such as professional references, local consumer and investment groups, or friends and family members who already have established investment business relationships.

FINRA BrokerCheck is governed by federal law. Securities and Exchange Commission (SEC) regulations and FINRA rules approved by the SEC. State disclosure programs are governed by state law, and may provide additional information on brokers and firms licensed by the state. Therefore, you should also consider requesting information from your state securities regulator. Refer to www.nasaa.org for a complete list of state securities regulators.

Thank you for using FINRA BrokerCheck.

Disclosure of Customer Disputes, Disciplinary, and Regulatory Events

What you should know and/or consider regarding any reported disclosure events:

- Before reaching a conclusion regarding any of the information contained in this BrokerCheck report, you should ask the broker to clarify the specific event(s) listed, or to provide a response to any questions you may have.
- "Pending" actions involve unproven and/or unsubstantiated allegations.

Disclosures in BrokerCheck reports come from different sources:

- **Self-disclosure:** Brokers are required to answer a series of questions on their application requesting securities industry registration (Form U4). For example, brokers are asked whether they have been involved in certain regulatory, civil, criminal and financial matters (e.g., bankruptcy), or have been the subject of a customer dispute.
- **Regulator/Employer postings:** In addition, regulators and firms that have employed a broker also may contribute relevant information about such matters. All of this information is maintained in CRD.

Certain thresholds must be met before an event is reported to CRD; for example:

- A law enforcement agency must file formal charges before a broker is required to report a particular criminal event.
- Likewise, a regulatory agency must meet established standards before initiating a regulatory action and/or issuing sanctions. These standards typically include a reasonable basis for initiating the action after engaging in a fact-finding process.

In order for a customer dispute to be reported to CRD, a customer must:

- Alleged that their broker engaged in activity that violates certain rules or conduct governing the industry; and
- Claim damages of $5,000 or more as a result of that activity.
  (Note: customer disputes may be more subjective in nature than a criminal or regulatory action)

What you should consider when evaluating the status or disposition of a reported disclosure event:

- Disclosure events may be pending, on appeal, or final. Pending and 'on appeal' matters reflect allegations that (1) have not been proven or formally adjudicated, or (2) have been adjudicated but are currently being appealed. Final matters generally may be adjudicated, settled or otherwise resolved.
  - An **adjudicated matter** includes a disposition by (1) a court of law in a criminal or civil matter or (2) an administrative panel in an action brought by a regulator that is contested by the party charged with some alleged wrongdoing.
  - A **settled matter** generally represents a disposition wherein parties involved in a dispute reach an agreement to resolve the matter.
  (Note: brokers may choose to settle customer disputes or regulatory matters for business or other reasons)
  - Customer disputes also may be resolved without any payment to the customer or any finding of wrongdoing on the part of the individual broker.

About this BrokerCheck Report

BrokerCheck reports are part of a FINRA initiative to disclose information about FINRA-registered firms and individual brokers to help investors determine whether to conduct, or continue to conduct, business with these firms and brokers. The information contained within these reports is collected through the securities industry's registration and licensing process.

Who provides the information in BrokerCheck?

Information made available through BrokerCheck is obtained from CRD as reported through the industry registration and licensing process.

The forms used by brokerage firms, to report information as part of the firms registration and licensing process, Forms BD and BDW, are established by the SEC and adopted by all state securities regulators and SROs. FINRA and the North American Securities Administrators Association (NASAA) establish the Forms U4 and U5, the forms that are used for the registration and licensing process for individual brokers. These forms are approved by the SEC. Regulators report disciplinary information for firms and individual brokers via Form U6.

How current is the information contained in BrokerCheck?

Brokerage firms and brokers are required to keep this information accurate and up-to-date (typically not later than 30 days after learning of an event). BrokerCheck data is updated when a firm, broker, or regulator submits new or revised information to CRD. Generally, updated information is available on BrokerCheck Monday through Friday.

What information is NOT disclosed through BrokerCheck?

Information that has not been reported to CRD and certain information that is no longer required to be reported through the registration and licensing process is not disclosed through BrokerCheck. Examples of events that are not required to be reported or are no longer reportable include: judgments and liens originally reported as outstanding that have been satisfied and bankruptcy proceedings filed more than 10 years ago.

Additional information not disclosed through BrokerCheck includes Social Security Numbers, residential history information, and physical description information. On a case-by-case basis, FINRA reserves the right to exclude information that contains confidential customer information, offensive and potentially defamatory language or information that raises significant identity theft or privacy concerns that are not outweighed by investor protection concerns. FINRA Rule 6312 describes in detail what information is and is not disclosed through BrokerCheck.

Under FINRA's current public disclosure policy, in certain limited circumstances, most often pursuant to a court order, information is expunged from CRD. Further information about expungement from CRD is available in FINRA notices 99-09, 99-54, 01-65, and 04-16 at www.finra.org.

For further information regarding FINRA's BrokerCheck program, please visit FINRA's Web site at www.finra.org/brokercheck or call the FINRA BrokerCheck Hotline at (800) 289-9999. This hotline is open Monday through Friday from 8:00 a.m. to 8:00 p.m., Eastern Time (ET).

Item 11 Disclosure Information

In this Item, we ask for information about your disciplinary history and the disciplinary history of all your advisory affiliates. We use this information to determine whether to grant your application for registration, to decide whether to revoke your registration or to place limitations on your activities as an investment adviser, and to identify potential problem areas to focus on during our on-site examinations. One event may result in "yes" answers to more than one of the questions below.

Your advisory affiliates are: (1) all of your current employees (other than employees performing only clerical, administrative, support or similar functions); (2) all of your officers, partners, or directors (or any person performing similar functions); and (3) all persons directly or indirectly controlling you or controlled by you. (2) been charged with a misdemeanor listed in 11.B(1)?

If you are registered or registering with the SEC, you may limit your response to Item 11.B(2) to charges that are currently pending.

Rev. 11/2010

Item 12 Small Business
The SEC is required by the Regulatory Flexibility Act to consider the effect of its regulations on small entities. In order to do this, we need to determine whether you meet the definition of "small business" or "small organization" under rule 0-7.

Answer this Item 12 only if you are registered or registering with the SEC and you indicated in response to Item 5.F(2)(c) that you have assets under management of less than $25 million. You are not required to answer this Item 12 if you are filing for initial registration as a state adviser, amending a current state registration, or switching from SEC to state registration.

For purposes of this Item 12 only:
- Total Assets refers to the total assets of a firm, rather than the assets managed on behalf of clients. In determining your or another person's total assets, you may use the total assets shown on a current balance sheet (but use total assets reported on a consolidated balance sheet with subsidiaries included, if that amount is larger).
- Control means the power to direct or cause the direction of the management or policies of a
person, whether through ownership of securities, by contract, or otherwise. Any person that directly or indirectly has the right to vote 25 percent or more of the voting securities, or is entitled to 25 percent or more of the profits, of another person is presumed to control the other person.

A. Did you have total assets of $5 million or more on the last day of your most recent fiscal year?

If "yes," you do not need to answer Items 12.B. and 12.C.

B. Do you:

1. control another investment adviser that had assets under management of $25 million or more on the last day of its most recent fiscal year?

2. control another person (other than a natural person) that had total assets of $5 million or more on the last day of its most recent fiscal year?

C. Are you:

1. controlled by or under common control with another investment adviser that had assets under management of $25 million or more on the last day of its most recent fiscal year?

2. controlled by or under common control with another person (other than a natural person) that had total assets of $5 million or more on the last day of its most recent fiscal year?
1. Complete Schedule A only if you are submitting an initial application. Schedule A asks for information about your direct owners and executive officers. Use Schedule C to amend this information.

2. Direct Owners and Executive Officers. List below the names of:
   (a) each Chief Executive Officer, Chief Financial Officer, Chief Operations Officer, Chief Legal Officer, Chief Compliance Officer (Chief Compliance Officer is required and cannot be more than one individual), director, and any other individuals with similar status or functions;
   (b) if you are organized as a corporation, each shareholder that is a direct owner of 5% or more of a class of your voting securities, unless you are a public reporting company (a company subject to Section 12 or 15(d) of the Exchange Act);
   Direct owners include any person that owns, beneficially owns, has the right to vote, or has the power to sell or direct the sale of, 5% or more of a class of your voting securities. For purposes of this Schedule, a person beneficially owns any securities: (i) owned by his/her child, stepchild, grandchild, parent, stepparent, grandparent, spouse, sibling, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, or sister-in-law, sharing the same residence; or (ii) that he/she has the right to acquire, within 60 days, through the exercise of any option, warrant, or right to purchase the security.
   (c) if you are organized as a partnership, all general partners and those limited and special partners that have the right to receive upon dissolution, or have contributed, 5% or more of your capital;
   (d) in the case of a trust that directly owns 5% or more of a class of your voting securities, or that has the right to receive upon dissolution, or has contributed, 5% or more of your capital, the trust and each trustee; and
   (e) if you are organized as a limited liability company ("LLC"), (i) those members that have the right to receive upon dissolution, or have contributed, 5% or more of your capital, and (ii) if managed by elected managers, all elected managers.

3. Do you have any indirect owners to be reported on Schedule B?  
   ✗ Yes  ☑ No
