

**The Commonwealth of Massachusetts**

COMMISSION ON ADMINISTRATION AND FINANCE,  
STATE HOUSE, BOSTON 33, April 6, 1959.

*To the Honorable Senate and House of Representatives:*

Under the provisions of section 7 of chapter 7 of the General Laws, I am submitting herewith for your consideration "An Act Relative to Excluding Dentists in the Department of Mental Health from the Provisions of Chapter 31."

At the request of the Commissioner of Mental Health, the Massachusetts Dental Society, at no cost to the Commonwealth, made an inspection of the dental services in the various institutions under the jurisdiction of that department. Among the recommendations of the Society was a suggestion that the dentists in the Department of Mental Health should be taken from under Civil Service. The matter has been discussed by Commissioner Solomon with the Director of Civil Service who, I am given to understand, will not disapprove the legislation if it can be shown that there is not enough recruiting under the present method and providing that the present dentists will retain all their present civil service rights. It is believed that the accompanying legislation will materially aid the Department of Mental Health in recruiting dentists for its institutions.

I would appreciate your filing this bill with the proper committee.

Respectfully submitted,

CHARLES FRANCIS MAHONEY,  
*Commissioner of Administration.*
