1801. The first of the year was a most beautiful day, the sun shone
 brightly, and the air was fresh and cool. The wind was from the
 north, and the sea was calm. The people were all in the streets,
 and the shops were full of customers. The children were playing
 in the parks, and the old people were sitting on the benches.
 The day was a most happy one, and all enjoyed it very much.
 The second day was also very fine, and the weather was just what
 we needed. The sun was shining, and the air was clear. The
 wind was from the east, and the sea was a little rougher than
 the first day. The people were all in the streets, and the shops
 were full of customers. The children were playing in the parks,
 and the old people were sitting on the benches. The day was a
 most happy one, and all enjoyed it very much.

 bought was a pair of shoes, and the twentieth was a pair of shoes.
