REVISED

The first part of the report is devoted to a general survey of the progress of the work during the year. It is followed by a detailed account of the various projects undertaken, and a summary of the results obtained. The report concludes with a list of the names of the persons who have assisted in the work.

The Government of Massachusetts

Report of the Board of Education for the year 1880

The Board of Education has the honor to acknowledge the receipt of the report of the State Board of Education for the year 1880. It is a pleasure to find that the work of the State Board has been carried on in a most efficient manner, and that the progress of the work has been such as to justify the confidence placed in it by the public.

The report is a valuable contribution to the knowledge of the state of the education of the Commonwealth. It shows that the State Board has done much to improve the system, and that the progress of the work has been such as to justify the confidence placed in it by the public.
