SENATE . . . . No. 1183

The Commonwealth of Massachusetts

SENATE, May 8, 1967.

The committee on Bills in the Third Reading, to whom was referred the Senate Bill insuring that practical training under the supervision of any registered architect will qualify as that experience required for registration (Senate, No. 1143), reports recommending that the same be amended by substituting therefor a new draft entitled "An Act providing that employment in a certain training program under the supervision of a registered architect will count towards office training experience required for examination for registration as an architect" (Senate, No. 1183), and that, when so amended, the same will be correctly drawn.
