SENATE . . . . No. 377

The Commonwealth of Massachusetts

Senate, April 2, 1930.

The committee on Harbors and Public Lands, to whom was referred the petition (with accompanying bill, Senate, No. 3) of Conde J. Brodbine for the construction of a breakwater off the shore of that part of the town of Winthrop known as Winthrop Highlands, report the accompanying Resolve (Senate, No. 377).

For the committee,

NATHANIEL P. SOWLE.
Resolve providing for an Investigation relative to the Construction of a Breakwater and Certain Marine Improvements in that Part of the Town of Winthrop known as Winthrop Highlands.

1  Resolved, That the department of public works is hereby directed to investigate the subject-matter of current senate bill number three, relative to the construction of a breakwater and, in connection therewith, the dredging of an anchorage basin, off the shore of that part of the town of Winthrop known as Winthrop Highlands.

2  Said department shall include in its report an estimate of the cost thereof and such further information and recommendations relative thereto as it deems necessary or advisable. Said department shall report to the general court its findings and its recommendations, if any, together with drafts of legislation necessary to carry such recommendations into effect, by filing the same with the clerk of the senate on or before December first in the current year and shall file, at the same time, a copy of said report with the budget commissioner.
