

HOUSE No. 615

By Mr. Dever of Cambridge, petition of James D. Burns and another that the Department of Public Utilities investigate the advisability of requiring the electrification of railroad lines entering the city of Boston and of connecting the North and South Stations by a subway. Transportation.

The Commonwealth of Massachusetts

In the Year One Thousand Nine Hundred and Thirty-One.

Resolve relative to Electrification of All Railroads entering Boston.

1 *Resolved*, That the department of public utili-
2 ties is hereby authorized and directed to investigate
3 the advisability of electrifying all railroads that
4 enter Boston.

5 Also if they deem the above feasible, that they
6 investigate the advisability of connecting the North
7 Station terminal with the South Station terminal
8 by subway; also possible connections with rapid
9 transit railway connections.
