EXECUTIVE DEPARTMENT, BOSTON, May 10, 1934.

*To the Honorable Senate and House of Representatives.*

A portion of the salary cut created by chapter 105 of the Acts of 1933 has been restored under the provisions of chapter 194 of the Acts of the current year, which became law on May 8. This Act, however, carried no provision for the additional appropriation thus made necessary. I, therefore, recommend for this purpose the appropriation of \$480,000, of which not more than \$56,000 should be appropriated from the highway fund, not more than \$32,000 from funds of the Metropolitan District Commission, and the balance from the general fund.

JOSEPH B. ELY.
