### RESOLVE

To provide for an Investigation and a Report by the Massachusetts Highway Commission relative to the Widening of a Highway between Boston and Worcester.

1 *Resolved*, That the Massachusetts highway commission  
2 is hereby requested to make an investigation as to the  
3 expediency and probable cost of widening a highway be-  
4 tween Boston and Worcester via turnpike in Shrews-  
5 bury to such extent as, in the opinion of the commission,  
6 may be desirable to shorten and otherwise accommodate  
7 public travel and also as to the expediency of employing  
8 the labor of prisoners in connection with said work. The  
9 commission shall report the result of its investigation to  
10 the general court as soon as practicable and not later than  
11 the first day of April in the present year.
