14 fee any land of a railroad corporation, and that they shall not
15 enter upon or construct any drain or sewer within the location

18 failure to agree, as may be approved by the department of public
19 utilities.

1 SECTION 5. Until the board of sewer commissioners has first
2 been elected as provided in this act but not in any event later
3 than the second annual meeting after the commencement of the
4 work of construction authorized hereby, the district may carry
5 on such work by a duly authorized committee of the district.
6 The committee shall serve without pay and shall have all the
7 powers and authority given to the board of sewer commissioners
8 in this act or by general law. Whenever the phrase "said board
9 of sewer commissioners" or "said board" hereinafter occurs, it
10 shall mean and include the board of sewer commissioners, or the
11 committee of the district provided for in this section, as the case
12 may be.

1 SECTION 6. Any person injured in his property by any action
2 of said board of sewer commissioners under this act may recover
3 damages from said district under said chapter seventy-nine.

1 SECTION 7. The district shall, by vote, determine what pro-
2 portion of the cost of said system or systems of sewerage and
3 sewage disposal the district shall pay; provided, that it shall
4 pay not less than one fourth nor more than two thirds of the
5 whole cost. In providing for the payment of the remaining por-
6 tion of the cost of said system or systems, or for the use of said
7 system or systems, the district may avail itself of any or all of
8 the methods permitted by general laws, and the provisions of
9 said general laws relative to the assessment, apportionment, di-
10 vision, reassessment, abatement and collection of sewer assess-

12 assessments made under this act, except that interest shall be
13 at the rate of six per cent per annum. At the same meeting at
14 which it determines the proportion of the cost which is to be
15 borne by the district, it may by vote determine by which of such
16 methods the remaining portion of said cost shall be provided for.
17 The collector of taxes of said town shall certify the payment or
18 payments of such assessments for apportionments thereof to the
19 sewer commissioners, who shall preserve a record thereof. When-
20 ever a tax is duly voted by the district for the purposes of this
21 act, the clerk shall send a certified copy of the vote to the asses-
22 sors of said town, who shall assess the same on property within
23 the district in the same manner in all respects in which town taxes
24 are required by law to be assessed; provided, that no estate shall
25 be subject to any tax assessed on account of the system of sewer-
26 age under this act, if, in the judgment of the board of sewer com-
27 missioners herein provided for, after a hearing, due notice whereof
28 shall have been given, such estate is so situated that it will re-
29 ceive no aid from the said sewerage system, or if such estate is
30 so situated that the buildings thereon, or the buildings that
31 might be constructed thereon, could not be connected with the
32 said system in any ordinary or reasonable manner; but all other
33 estates in the district shall be deemed to be benefited and shall
34 be subject to such tax. A certified list of the estates exempt from
35 taxation under the provisions of this section shall annually be
36 sent by said board of sewer commissioners to said assessors, at the
37 same time at which the clerk shall send a certified copy of the vote

38 as aforesaid. The assessment shall be committed to the town
39 collector, who shall collect said tax in the manner provided by
40 law for the collection of town taxes, and shall deposit the pro-
41 ceeds thereof with the district treasurer for the use and benefit
42 of the district. The district may collect interest on overdue taxes
43 in the manner in which interest is authorized to be collected on
44 town taxes.

1 SECTION 8. For the purpose of paying the necessary expenses
2 and liabilities incurred under this act, the district may, from
3 time to time within five years after the passage of this act, bor-
4 row such sums as may be necessary, not exceeding, in the ag-
5 gregate, five hundred thousand dollars, and may issue bonds or
6 notes therefor, which shall bear on their face the words, Baldwin-
7 ville-Otter River Sewer District Loan, Act of 1965. Each au-
8 thorized issue shall constitute a separate loan and such loans
9 shall be payable in not more than thirty years from their dates.
10 Indebtedness incurred under this act shall be in excess of the
11 statutory limit, but shall, except as provided herein, be subject
12 to chapter forty-four of the General Laws.

1 SECTION 9. The receipts from sewer assessments and from
2 payments made in lieu thereof shall be applied to the payment
3 of charges and expenses incident to the maintenance and opera-
4 tion of said system of sewerage and sewage disposal or to the
5 extension thereof, to the payment of interest upon bonds or
6 notes issued for sewer purposes or to the payment or redemption
7 of such bonds or notes.

1 SECTION 10. Said board of sewer commissioners shall an-
2 nually appoint a clerk and a treasurer and may appoint a super-
3 intendent of sewers who shall not be a member of the board, and
4 shall define their duties. It may remove the clerk, treasurer or
5 superintendent at its pleasure. The treasurer shall not be a
6 sewer commissioner, and shall give bond to the district in such
7 amount as may be approved by said sewer commissioners and
8 with a surety company authorized to transact business in the
9 commonwealth as surety. Said board may, in its discretion, pre-
10 scribe for the users of said sewer system such annual rentals or
11 charges based on the benefits derived therefrom as it may deem
12 proper, subject, however, to such rules and regulations as may
13 be fixed by vote of the district.

1 SECTION 11. All contracts made by the board of sewer com-
2 missioners shall be made in the name of the district and shall be
3 signed by the board, and the district may enter into agreements
4 and contracts with other districts, sewer departments, munici-
5 palities or individuals for the purpose of making connections for
6 the collection, purification and disposal of sewage, but no con-
7 tract shall be made or obligation incurred by said board for any
8 purpose in excess of the amount of money appropriated by the
9 district therefor.

1 SECTION 12. Said board of sewer commissioners may, from
2 time to time, prescribe rules and regulations for the connection
3 of estates and buildings with main drains and sewers, and for
4 inspection of the materials, the construction, alteration and use
5 of all connections and drains entering into such main drains or
6 sewers, and may prescribe penalties, not exceeding twenty dol-
7 lars, for each violation of any such rule or regulation. Such rules
8 and regulations shall be published at least once a week for three
9 successive weeks in some newspaper published in the town of
10 Leicester, if there be any, and if not, then in some newspaper
11 published in the county of Worcester and shall not take effect
12 until such publications have been made.

1 SECTION 13. No act shall be done under authority of the pre-
2 ceding sections except in the making of surveys and other prelim-
3 inary investigations, until the plans for said system of sewerage
4 and sewage disposal have been approved by the state depart-
5 ment of public health.

1 SECTION 14. Upon a petition in writing addressed to said
2 board of sewer commissioners requesting that certain real estate,
3 accurately described therein, located in said town and abutting
4 on said district and not otherwise served by a suitable means of
5 sewage disposal be included within the limits thereof, and signed
6 by the owners of such real estate, or a majority thereof, said
7 sewer commissioners shall cause a duly warned meeting of the
8 district to be called, at which meeting the voters may vote on
9 the question of including said real estate within the district. If
10 a majority of the voters present and voting thereon vote in the
11 affirmative the district clerk shall within ten days file with the
12 town clerk of said town and with the state secretary an attested

13 copy of said petition and vote; and thereupon said real estate
14 shall become and be part of the district and shall be holden un-
15 der this act in the same manner and to the same extent as the
16 real estate described in section one.

1 SECTION 14A. The provisions of chapters forty-one and forty-
2 four of the General Laws relating to fire, water, light and im-
3 provement districts shall, so far as apt, apply to the district.

1 SECTION 15. This act shall take full effect upon its acceptance
2 by a majority of the voters of said territory voting thereon at a
3 meeting held pursuant to section two of this act within five years
4 of its passage.
