

SENATE No. 16

By Mrs. Cutler, a petition of Charles W. Hedges and Leslie B. Cutler for legislation to direct the county commissioners of the county of Norfolk to have plans and specifications prepared for the construction of a house of correction in said county. Counties.

The Commonwealth of Massachusetts

In the Year One Thousand Nine Hundred and Sixty-Eight.

AN ACT DIRECTING THE COUNTY COMMISSIONERS OF THE COUNTY OF NORFOLK TO HAVE PLANS AND SPECIFICATIONS PREPARED FOR THE CONSTRUCTION OF A HOUSE OF CORRECTION IN SAID COUNTY.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. The county commissioners of the county of
2 Norfolk are hereby authorized and directed to cause plans
3 and specifications to be prepared for the construction of a
4 house of correction to be located on a site in Norfolk county
5 selected by said commissioners. For said purposes said com-
6 missioners may expend a sum not exceeding fifty thousand
7 dollars.

1 SECTION 2. This act shall take effect upon its passage.

The first part of the report is devoted to a general description of the country and its resources. It is followed by a detailed account of the various industries and occupations of the people. The report concludes with a summary of the principal facts and a list of the names of the persons who have been instrumental in the progress of the country.

The second part of the report is devoted to a description of the various industries and occupations of the people. It is followed by a detailed account of the progress of the country and the various improvements which have been made since the first report was published.

The third part of the report is devoted to a description of the various improvements which have been made since the first report was published. It is followed by a detailed account of the progress of the country and the various improvements which have been made since the first report was published.

The fourth part of the report is devoted to a description of the various improvements which have been made since the first report was published. It is followed by a detailed account of the progress of the country and the various improvements which have been made since the first report was published.

The fifth part of the report is devoted to a description of the various improvements which have been made since the first report was published. It is followed by a detailed account of the progress of the country and the various improvements which have been made since the first report was published.

The sixth part of the report is devoted to a description of the various improvements which have been made since the first report was published. It is followed by a detailed account of the progress of the country and the various improvements which have been made since the first report was published.

The seventh part of the report is devoted to a description of the various improvements which have been made since the first report was published. It is followed by a detailed account of the progress of the country and the various improvements which have been made since the first report was published.
