**The Commonwealth of Massachusetts**

---

*Ordered,* That the committee on aeronautics is hereby authorized to make an investigation and study of the feasibility of curtailing or otherwise further regulating the operation of jet-powered aircraft at General Edward Lawrence Logan International airport in the East Boston district of the city of Boston. Said committee shall be provided with quarters in the state house or elsewhere, may travel within and without the commonwealth, may hold hearings, and may expend for legal, clerical and other services and expenses such sums as may be appropriated therefor. Said committee shall report to the general court the results of its investigation and study, and its recommendations, together with drafts of legislation necessary to carry its recommendations into effect, by filing the same with the clerk of the house of representatives on or before the last Wednesday of December in the current year.
