The Commonwealth of Massachusetts

In the Year One Thousand Nine Hundred and Seventy-Eight.

RESOLUTIONS MEMORIALIZING THE U.S. CONGRESS TO RESTORE TO THE MONARCH OF ENGLAND THE RIGHT OF VETO OVER THE USE OF NUCLEAR WEAPONS AS A PATENT RIGHT OR TRADE SECRET NECESSARY FOR THE DEVELOPMENT OF NUCLEAR REACTORS ON A USEFUL BASIS AS REQUIRED UNDER ARTICLE I SECTION 8 OF THE UNITED STATES CONSTITUTION WHICH DEALS WITH THE POWERS OF CONGRESS.

1 *Resolved*, Whereas the right and duty of the Monarch of
2 England to employ veto power must be redefined as a patent right
3 (or trade secret) good forever which is of great value in the
4 development of nuclear reactors on a profitable basis with
5 reduction of contamination of the air particularly when this right
6 and duty is shared as a right and duty of the heads of state of the
7 other nuclear powers as a basis for permanently banning atomic
8 weapons through a series of bilateral (two-party) International
9 patent licensing agreements covering the development of atomic
10 fuel stations.

11 Therefore, be it resolved that the Massachusetts House of
12 Representatives hereby memorializes the U.S. Congress to restore
13 the right of the Monarch of England to veto the use of nuclear
14 weapons (a right of King George VI of England which was
15 suspended until December 31, 1973 by the McMahon Act of U.S.
16 Congress in the mistaken belief that this was a military right). and
17 be it further

18 *Resolved*, That copies of these resolutions be forwarded by the
19 clerk of the house of representatives to the President of the
20 United States, the presiding officer of each branch of Congress
21 and to the members thereof from this commonwealth.
