SENATE No. 1344

By Mr. Wetmore, a petition (accompanied by bill, Senate, No. 1344) of Robert D. Wetmore and Henry R. Grenier for legislation to direct the Division of Waterways to repair and improve the Lake Whittemore Dam in Spencer. Natural Resources and Agriculture.

The Commonwealth of Massachusetts

In the year One Thousand Nine Hundred and Eighty-four.

AN ACT DIRECTING THE DIVISION OF WATERWAYS TO REPAIR AND
IMPROVE THE LAKE WHITTEMORE DAM IN SPENCER.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

- 1 The Division of Waterways is hereby directed to repair and
- 2 improve the Lake Whittemore Dam in Spencer. Said repairs
- 3 shall be made in accordance with the Dam feasibility study
- 4 completed by the company of Hayden, Harding, and Buchanan,
- 5 Inc.

The first part of the report deals with the general conditions of the country and the progress of the work during the year. It is followed by a detailed account of the various expeditions and the results obtained. The report concludes with a summary of the work done and the prospects for the future.

The second part of the report deals with the detailed results of the various expeditions. It is divided into several sections, each dealing with a different aspect of the work. The first section deals with the general conditions of the country, the second with the progress of the work, and the third with the results obtained.

REPORT

The third part of the report deals with the detailed results of the various expeditions. It is divided into several sections, each dealing with a different aspect of the work. The first section deals with the general conditions of the country, the second with the progress of the work, and the third with the results obtained.

The Geographical Situation of the Country

The geographical situation of the country is described in detail. It is divided into several sections, each dealing with a different aspect of the work. The first section deals with the general conditions of the country, the second with the progress of the work, and the third with the results obtained.
