

HOUSE No. 1777

By Ms. Bump of Braintree, petition of Suzanne M. Bump and Paul D. Harold that the Division of Waterways be authorized to dredge the Weymouth Fore River. Natural Resources and Agriculture.

The Commonwealth of Massachusetts

In the Year One Thousand Nine Hundred and Ninety.

AN ACT RELATIVE TO THE DREDGING OF THE WEYMOUTH FORE RIVER.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

- 1 The Division of Waterways within the Department of
- 2 Environmental Quality Engineering is hereby authorized to
- 3 dredge the Weymouth Fore River beginning at the Route 53
- 4 Bridge in Braintree and continuing for approximately 9,000 feet
- 5 in an easterly and northerly direction.

By Mr. Hump of Indiana, (with a motion of leave) he read the following report of the Committee on the Western Fore River, National Resources and Fisheries:

The Geology of the Western Fore River

in the form of a report to the House of Representatives

As directed by the Committee on the Western Fore River

Presented by the House and Library of the Western Fore River, National Resources and Fisheries, at the meeting of the Committee on the Western Fore River, National Resources and Fisheries, at the City of Washington, D. C., on the 10th day of June, 1900.

1. The history of the Western Fore River, with the description of the various localities where the river is found.
2. A description of the various localities where the river is found, and the various localities where the river is found.
3. A description of the various localities where the river is found, and the various localities where the river is found.
4. A description of the various localities where the river is found, and the various localities where the river is found.
5. A description of the various localities where the river is found, and the various localities where the river is found.
