

By Ms. Schur of Newton, petition of Susan D. Schur and other members of the General Court for legislation to exempt certain engineers from the requirement of registration. Government Regulations.

The Commonwealth of Massachusetts

In the Year One Thousand Nine Hundred and Eighty-Two.

AN ACT EXEMPTING CERTAIN ENGINEERS FROM THE REQUIREMENT OF REGISTRATION.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 The second paragraph of section 30B of chapter 7 of the General
2 Laws, as amended by section 51 of chapter 579 of the acts of 1980,
3 is hereby further amended by striking out the definitions of "De-
4 signer", "Programmer" and "Design services" and inserting in
5 place thereof, the following three definitions: —

6 "Designer" means an individual, corporation, partnership, sole
7 proprietorship, joint stock company joint venture, or other entity
8 engaged in the practice of architecture, landscape architecture,
9 energy conservation or engineering which satisfies the following:

10 (i) if an individual, the individual is a registered architect, land-
11 scape architect, or engineer, or is otherwise qualified to perform an
12 energy audit;

13 (ii) if a partnership, a majority of all the partners are persons
14 who are registered architects, landscape architects, or engineers, or
15 are otherwise qualified to perform energy audits;

16 (iii) if a corporation, sole proprietorship, joint stock company
17 or other entity, the majority of directors and the chief executive
18 officer are persons who are registered architects, landscape archi-
19 tects, or engineers, or otherwise qualified to perform energy audits,
20 and the person to have the project in his or her charge is registered
21 or otherwise qualified in the discipline required in the project.

22 (iv) if a joint venture, each joint venturer satisfies the require-
23 ments of this section.

24 "Programmer" means any designer or any other individual,

25 corporation, partnership, sole proprietorship, joint stock com-
26 pany, joint venture, or other entity engaged in the preparation of
27 architectural facility programs or studies or energy conservation
28 audits.

29 "Design services" means any of the following services provided
30 by any designer, programmer, construction manager or energy
31 conservation engineer in any public building project.
