

## MassGrown and Fresher News – June is Dairy Month

June is blooming with so much to do! We are thrilled that [farmers' markets](#) have officially opened, so be sure to find one near you. Use [our produce availability calendar](#) to help guide you through the bounty of the season.

June is also a time to celebrate strawberries, pollinators, & dad. Come to a strawberry festival or if you prefer to pick your berries fresh from the fields, find a U-Pick farm [here](#).
