Relative to Reinstatement of Insured without Medical Examination under Defaulted Endowment Certificate or Endowment Policy.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1 Under any endowment certificate or endowment policy  
2 where the insured has paid to the company premiums  
3 which with the net earnings thereof shall aggregate the  
4 face of the policy in event of the death of the insured  
5 before maturity of the policy, and where the insured has  
6 since the issuance of the policy obtained or gained a  
7 classification of "impaired risk", or other classification,  
8 which would heretofore require remedical examination of  
9 the insured before reinstatement in event of insured's  
10 default in the policy, upon payment of the premium or  
11 premiums in default with interest thereon from the due  
12 date, the company shall reinstate the insured under his  
13 policy without medical examination, to the same extent  
14 as if the default had not occurred.
