

ACTS, 1985. – Chaps. 729, 730.

In the event that the monies in the UFFI Trust Fund are insufficient to provide for the needs of qualified applicants to the UFFI program, applicants whose applications are pending and prospective applicants at the time such fund is exhausted shall have no right to any payment or testing from the UFFI program, the department of public health, or the commonwealth, but shall retain all private rights of action.

Upon certification by the commissioner of public health to the treasurer that moneys remaining in the trust fund after the purposes of this act have been completed are not needed for implementation and operation of this act, said moneys shall be returned to industry donors or contributors in proportion to their donations or contributions; provided, however, that the department and the commonwealth shall not be liable to industry members or UFFI homeowners for such certification.

SECTION 14. The commissioner of public health may promulgate such rules and regulations as may be necessary to carry out the provisions of this act.

SECTION 15. This act shall take effect July first, nineteen hundred and eighty-six.

Approved December 31, 1985.

Chapter 729. AN ACT RELATIVE TO ELECTION PRECINCTS AND WARDS IN THE CITY OF SALEM.

Be it enacted, etc., as follows:

Notwithstanding the provisions of section four of chapter fifty-four of the General Laws the redivision of the city of Salem into wards and precincts, established by the city council on June thirteenth, nineteen hundred and eighty-five, approved by the mayor on June eighteenth, nineteen hundred and eighty-five, and approved by the local election districts review commission on July eighth, nineteen hundred and eighty-five, shall be used commencing with the state primary and election in nineteen hundred and eighty-six, and every primary and election, municipal, state or national, held thereafter.

Approved December 31, 1985.
