

The Commonwealth of Massachusetts

---

EXECUTIVE DEPARTMENT, BOSTON, August 14, 1935.

*To the Honorable Senate and House of Representatives:*

To meet the Commonwealth's share of the expenditures under the provisions of Chapter 474 of the Acts of the current year entitled, "An Act to provide Additional Court House Accommodations and Facilities for the Courts and Other Officials in the County of Suffolk by the Use of Federal, State and City of Boston Funds", the State Treasurer shall from time to time, upon the request of the Commission and with the approval of the Governor and Council, place at the disposal of the Commission such funds as it may require either from such appropriation or appropriations as may be made by the issue and sale, public or private sale, of notes of the Commonwealth, which shall be designated "Court House Loan, Act of 1935." Therefore in accordance with Section 3 of the Article LXII of the amendments to the Constitution, I recommend that such notes shall be for a term not to exceed ten years.

To provide for the construction of additional sewers in the North Metropolitan Sewerage District under the provisions of Chapter 478 of the Acts of the current year, it is provided for the purpose of carrying out such construction that the State Treasurer may from time to time issue in one or more series bonds, notes, or other forms of written acknowledgment of debt. Therefore, in accordance with Section 3 of the Article LXII of the amendments to the Constitution I recommend that the term of the bonds, notes, or other forms of written acknowledgment of debt shall be for a term not to exceed

twenty years. To meet the expenditures necessary in carrying out the provisions of Chapter 415 of the Acts of the current year, the State Treasurer is required upon the request of the Commissioner of Conservation and subject to the approval of the Governor and Council to issue bonds in the name of the Commonwealth.

In conformity with Section 3 of Article LXII of the amendments to the Constitution, I recommend the term of the bonds issued under the provisions of the aforesaid Chapter 415 of the Acts of the current year shall be fixed for a term not to exceed ten years.

JAMES M. CURLEY.
