RESOLUTION

On the Successful Conclusion of the War with Spain.

1 *Resolved*, That the legislature of Massachusetts, in
2 common with all Americans, rejoice in the successful
3 conclusion of the war with Spain, and congratulate the
4 President upon the manner in which he has led the
5 country through a victorious war to a triumphant peace.
6 Believing that peace should be legally re-established at
7 the earliest moment, they urge the prompt ratification of
8 the treaty with Spain, confident that they may trust to
9 the patriotism and wisdom of the President, and of Con-
10 gress, the just settlement of the new questions which
11 must hereafter arise.
