

*Chap. 616* AN ACT AUTHORIZING THE LYNNFIELD WATER DISTRICT TO  
CONSTRUCT WATER MAINS THROUGH THE TOWN OF SAUGUS.

*Be it enacted, etc., as follows:*

SECTION 1. The Lynnfield Water District, acting by and through its board of water commissioners, after signing a contract for the purchase of a water supply from the metropolitan district commission, under authority of any law heretofore or hereafter enacted may, for the purpose of conveying such water, erect, maintain and operate pumping works and may construct, lay and maintain conduits, pipes and other works under or over any lands, water courses, railroads, railways and public or private ways, and along any state highway or other way in the town of Saugus, in such manner as not unnecessarily to obstruct the same; and for the purpose of constructing, laying, maintaining, operating and repairing such aqueducts, conduits, pipes and other works, and for all other proper purposes of this act, said Lynnfield water district may enter upon and dig up or raise and embank such lands or public or other ways, in such manner as to cause the least possible hindrance to public travel thereon; provided, that no way in said town of Saugus shall be dug up except with the consent of the state department of public works in the case of a state highway or of the selectmen of said town or of the authority having charge of public ways in said town, in which any such way or ways are situated in the case of other ways, and provided, further, that any such way so dug up shall be restored to the satisfaction of said state department of public works, selectmen or authority, as the case may be. Said Lynnfield water district shall not enter upon, construct or lay any aqueduct, conduit, pipe or other works within the location of any railroad corporation except at such time and in such manner as it may agree upon with such corporation, or, in case of failure so to agree, as may be provided by the state department of public utilities.

SECTION 2. For the purpose of paying the necessary expenses and liabilities incurred under the provisions of this act, including the erection of a standpipe and pumping station with pumping equipment and all appurtenances, other than expenses of maintenance and operation, said Lynnfield water district may borrow such sums as may be necessary, not exceeding in the aggregate two hundred and fifty thousand dollars and may issue bonds or notes therefor, which shall bear on their face the words, Lynnfield Water District Water Loan, Act of 1956. Each authorized issue shall constitute a separate loan and such loans shall be paid in not more than twenty years from their dates. Indebtedness incurred hereunder shall not be in excess of the statutory limit of indebtedness, but shall, except as herein provided, be subject to the provisions of chapter forty-four of the General Laws.

SECTION 3. The metropolitan district commission by its commissioners may lease or convey to the Lynnfield water district, acting by and through its board of water commissioners, a parcel of land not exceeding six thousand square feet in area, situated on Walnut street in the town of Saugus, adjacent to the water main of the metropolitan district commission, for the purpose of erecting, maintaining and operating a water pumping station.

SECTION 4. The city of Lynn by its mayor, with the approval of the city council, may lease or convey to the Lynnfield water district, acting by and through its board of water commissioners, a parcel of land not exceeding six thousand square feet in area, situated on the east side of Route 1, also known as the Newburyport turnpike, in the town of Lynnfield, adjacent to the Saugus town line, for the purpose of erecting, maintaining and operating a water pumping station.

SECTION 5. This act shall take effect upon its passage.

*Approved August 7, 1956.*

AN ACT PLACING UNDER THE JURISDICTION AND CONTROL OF THE SPECIAL MILITARY RESERVATION COMMISSION A PORTION OF THE SHAWME STATE FOREST, ALSO KNOWN AS THE SHAWME-CROWELL STATE FOREST. *Chap. 617*

*Be it enacted, etc., as follows:*

SECTION 1. Subject to the provisions of the permit known as contract No. W-19-016 eng-795 dated the twentieth day of April, nineteen hundred and forty-nine, between the department of conservation acting on behalf of the commonwealth, and the government of the United States, as modified by the supplemental agreement dated the twenty-second day of July, nineteen hundred and forty-nine, that portion of the Shawme state forest, also known as the Shawme-Crowell state forest, which lies southwesterly of the United States Route 6 and Massachusetts Route 130, and northeasterly of the north limit of that portion of said Shawme state forest placed under the jurisdiction and control of the special military reservation commission by section one of chapter five of the acts of nineteen hundred and forty-one, containing one thousand and ninety acres, more or less, of land lying in the towns of Bourne and Sandwich in the county of Barnstable, is hereby placed under the jurisdiction and control of said military reservation commission and shall be administered as military property of the commonwealth.

SECTION 2. Such part or parts of that portion of said state forest which is transferred under section one as said special military reservation commission may, from time to time, certify in a writing or writings filed in the office of the state secretary as not being needed for national defense purposes or for any military purpose that will interfere with the development thereof as a state forest shall, for the period
