RE: Consultant Application Pursuant to 840 CMR 26.01

DATE: January 6, 1999

This is a follow-up to PERAC MEMO #59/1998, reminding the boards to submit the information pertaining to their consultants by January 10, 1999.

In the event a consultant is retained by more than one board, we will accept the filing of one Application for Exemption for Consultants, one Vendor Certification, and one Disclosure Statement. Each individual board, however, must submit a letter acknowledging the relationship with the consultant, that a competitive process was followed, and that the board has reviewed and retained a copy of this information.
