DESCRIPTION:					
Request for Proposals for the Town of Hopedale Parks Department. In an effort to improve and ensure the ecological wellness of the Town's parklands, a cycle of forestry management needs to be resumed and maintained. At the present time, these public lands have become choked with dense cover of undesirable species of trees. The impact has been that such species as the native oak have been unable to flourish. This Request for Proposals includes the following services: Create an environmentally safe, Forestry Management plan, which will in turn provide the Park Commission (the Town), with funds from the sale of parklands timber; Forest Management will be conducted in an environmentally conscious way with minimum impact to surroundings; Removal of all dead wood, scrub brush, branches and slash; Promoting healthy growth of desired tree species; Maintaining parkland conditions to insure enjoyment by the public to the fullest extent possible.
