(1) Massachusetts portions only.

*Total population figures in the following named municipalities are expanded by the presence of considerable numbers of institutional population, students, dependents of military personnel and military personnel in relation to the total municipal population. Counts - the federal census, in the years ending in zero, enumerates all those persons in the municipality where they spend most of their time for that year; whereas the state, in the years ending in 5, enumerates only the legal residents of Massachusetts:
