

maintain, operate and control said dam, lock, drawbridge and works, equipment and appurtenances thereto, and control the Mystic river and its tributaries above said dam as a part of the metropolitan parks system. Said commission shall also exercise over said waters above said dam all powers and duties now conferred upon said commission by chapter ninety-two of the General Laws relative to the care, maintenance and control of the metropolitan parks system and the Charles River basin so far as applicable.

SECTION 7. To meet the cost of construction of the work authorized in said sections two and three, the commonwealth may accept and use any federal funds or any federal assistance, or both, provided therefor under any federal law, authority to make application therefor being hereby granted to said Massachusetts public building commission, with the approval of the governor. In case federal funds or federal assistance are made available to the commonwealth for this construction work, the project, when approved by the governor, shall be carried out in all respects subject to the provisions of the appropriate federal law providing for construction of projects of this class, and the rules and regulations made pursuant thereto, and to such terms, conditions, rules and regulations, not inconsistent with such federal laws, rules and regulations, as said Massachusetts public building commission may establish, with the approval of the governor, to insure the proper execution of said project.

SECTION 8. This act shall take effect upon its passage.
