MICHAEL S. DUKAKIS
GOVERNOR

THE COMMONWEALTH OF MASSACHUSETTS
EXECUTIVE DEPARTMENT
STATE HOUSE • BOSTON 02133

June 15, 1984

To the Honorable Senate and House of Representatives:

I am returning House Bill No. 5666, entitled "AN ACT RELATIVE TO CERTAIN LAND IN THE CITY OF TAUNTON" for your consideration of an amendment.

I am fully supportive of efforts to enhance economic development in the city of Taunton; however, I share the concern of the Department of Mental Health that such be accomplished in a fashion compatible with the goals of the Paul A. Dever State School.

I, therefore, purpose the following amendment:

DELETE: the period following the word "development" and

ADD: the phrase "provided, however, that such development and uses is compatible with the health and safety of the residents of the Paul A. Dever State School and provided further that such development and uses shall not endanger the quality of the water supply for said state school."

Sincerely,

A large, stylized handwritten signature in dark ink, appearing to read "M. Dukakis".
