Building Official

COMMONWEALTH OF MASSACHUSETTS
State Building Code (780 CMR) Appeals Board
Board's Ruling on Appeal¹

Docket No. 09-770

Appellant(s): James Alex, MD

vs.

Appellee(s): Town of Weston
Robert Morra

Procedural History

This matter came before the State Building Code Appeals Board ("Board") on the Appellant's appeal filed pursuant to 780 CMR 122.1. In accordance with 780 CMR 122.3, the Appellant requested that the Board grant a variance to 6th edition 780 CMR 1016.4, 1016.5, and 1016.6, for the property at 158 Boston Post Road, Weston, MA. In accordance with GL c. 30A, §§10 & 11; GL c. 143, §100; 801 CMR 1.02 *et. seq.*; and 780 CMR 122.3.4, the Board convened a public hearing on August 6, 2009 where all interested parties were provided with an opportunity to testify and present evidence to the Board. James Alex, Keith Gross, Architect, and Robert Morra appeared at this hearing.

Discussion

Based on the testimony and exhibits that were presented, a motion was made to grant the Appellant's request for a variance to the 6th edition 780 CMR 1016.4, 1016.5, and 1016.6. The motion was made to grant the variance, since the building official is not opposed to it and because of the unique hardship on the appellant to replace the ramp system. There was a second on the motion and a board vote was taken, which was unanimous.

Conclusion

The Appellant's request for a variance to the 6th edition 780 CMR 1016.4, 1016.5, and 1016.6 is hereby granted as described in the discussion above and so ordered² on this date: August 6, 2009.
