SENATE....No. 244.

Commonwealth of Massachusetts.

In Senate, May 7, 1868.

Mr. Chace moves to amend the Bill authorizing the Cape Cod Railroad Company to construct a wall across Cohasset Narrows, by adding at the end of section one the following:—

1 "And provided, further, that the railroad company shall make or provide a suitable landing for any or all wood which may at any season of the year be brought from above the said sea-wall to Cohasset Narrows for shipment, and shall provide suitable facilities for placing said wood upon the wharf below the sea-wall, without cost to the owner for the use of such facilities."
