FY07 filing based on hospital's audited financial statements

Data Sources: FY03 - FY07 data drawn from DHCNP annual filing and are reconciled to Audited Financial Statements, unless otherwise noted. If "Desk Reviewed" is indicated below, then FY07 data are reconciled to audited financial statements. If "As Filed" is indicated below, FY07 data are not reconciled to Audited Financial Statements. DHCNP filings may not reflect all financial resources available to a hospital -- for example, resources available through associations with foundations or parents/affiliates. Financial information should be interpreted within the context of other factors, including, but not limited to, management plans, reimbursement changes, market behavior, and other factors affecting performance.

Comments: Hospitals may also submit comments which further explain or clarify specific data items. Any such disclosures are shown below.
