The Commonwealth of Massachusetts

In the Year One Thousand Nine Hundred and Seventy-Seven.

AN ACT RELATIVE TO AUTOMOBILE INSURANCE RATES FOR UNDER AGE TWENTY-FIVE.

1 *Whereas*, The deferred operation of this act would tend to defeat
2 its purpose, which is, to provide compulsory automobile insurance
3 at a fair cost, therefore it is hereby declared to be an emergency law,
4 necessary for the immediate preservation of the public con-
5 venience.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 The commissioner of insurance is prohibited from establishing
2 separate automobile rates for any automobile operated by a person
3 under twenty-five, if the operator under age twenty-five has
4 been duly licensed to operate a vehicle and has not been involved in
5 any accident in which the registrar of motor vehicles has found the
6 said operator to be at fault.

In the West project history section of volume 2, January 1977, the Commission in testimony the project has been operating since the early 1970s. It is noted that the project has been operating since the early 1970s.
