#### **RE: UMass Medical Center - Memorial, 119 Belmont St, Worcester**

5/25/2016 a complaint was filed with this office regarding the above premises. After reviewing all the information, the Board finds that the complaint has been resolved due to the following action:

"These 14 accessible spaces are the required number for the garage when accounting for general parking, as well as parking for the additional requirements for both outpatient and rehab services. We will submit our plans within 30-60 days for the AAB's review and approval before beginning implementation. "

Any person aggrieved by the above decision may request an adjudicatory hearing before the Board within 30 days of receipt of this decision by filing the attached request for adjudicatory hearing form.
