

**MassHealth
Adult Foster Care Bulletin 9
December 2011**

TO: Adult Foster Care Providers Participating in MassHealth
FROM: Julian J. Harris, M.D., Medicaid Director 
**RE: Administrative Review Process for Certain MassHealth Members Including
Community Elders and Disabled Adults and Children**

Background

State and federal laws require MassHealth to perform a continuing eligibility review of every member on an annual basis.

MassHealth uses a streamlined eligibility review process, called administrative review, on certain MassHealth members residing in nursing facilities. Administrative review streamlines the annual review of these MassHealth members by using data matching. On December 19, 2011, MassHealth expanded the administrative review process to more members, including community elders and disabled adults and children.

Members who meet the criteria for an administrative annual review will **not** need to return the review form if they do **not** have changes to report. Their eligibility will continue for another year, assuming no changes occur throughout the year.

Eligible Populations

Community adults aged 65 and older will be selected for the administrative review process if they

- are single or a couple with no dependents;
- have assets less than \$2,000 for a single person or \$3,000 for a couple;
- have Social Security benefits as their only source of income;
- are not subject to a deductible; and
- have Medicare.

Qualified Individuals (QIs), Specified Low-Income Medicare Beneficiaries (SLMBs), and Qualified Medicare Beneficiaries (QMBs) will be selected for the administrative review process if they

- are single or a couple with no dependents;
 - have assets less than \$6,680 for a single person or \$10,020 for a couple;
 - have Social Security benefits as their only source of income;
 - are not subject to a deductible; and
 - have Medicare.
-

**Eligible Populations
(cont.)**

Home and Community-Based Service Waiver participants and members eligible for coverage under the Pickle Amendment, disabled adult children, and disabled adult widows, will be selected for the administrative review process if they

- are single or a couple with no dependents;
- have assets less than \$2,000 for a single person or \$3,000 for a couple;
- have Social Security benefits as their only source of income;
- are not subject to a deductible; and
- have Medicare.

Single adults and couples aged 64 and under will be selected for the administrative review process if they

- have no dependents;
- have Social Security benefits as their only source of income;
- do not have an unmet deductible; and
- have Medicare.

Most children enrolled in the Kaileigh Mulligan Program will also be selected for the administrative review process. The Tewksbury MassHealth Enrollment Center (MEC) determines which cases are selected for administrative review based on specific criteria pertaining to the child's case.

Review Process

At the time of the annual review, a member who meets the criteria for the administrative review process will be sent the following.

Community adults aged 65 and older will be sent

- an administrative review cover letter (TRAD-AD-CL-ST);
- a MassHealth Traditional Administrative Eligibility Review for community adults aged 65 and older (TRAD-AR-ST);
- an Eligibility Representative Designation (ERD) Form; and
- a multilingual sheet with a contact number for translation help (UNIV-5).

QI, SLMB, and QMB members will be sent

- an administrative review cover letter (TRAD-AR-CL-BI);
 - a MassHealth Traditional Administrative Eligibility Review for QI, SLMB, and QMB members (TRAD-AR-BI);
 - an Eligibility Representative Designation Form (ERD); and
 - a multilingual sheet with a contact number for translation help (UNIV-5).
-

Single adults and couples aged 64 and under will be sent

- an administrative review cover letter (HCR-AR-CL-HCR);
- a MassHealth Administrative Eligibility Review for single adults and couples aged 64 and under (HCR-AR-HCR);
- an Eligibility Representative Designation Form (ERD); and
- a multilingual sheet with a contact number for translation help (UNIV-5).

Kaileigh Mulligan Program children will be sent

- a MassHealth Administrative Eligibility Review for Children Receiving Services under the Kaileigh Mulligan Program (TRAD-AR-KM);
- an Eligibility Representative Designation Form (ERD); and

The cover letter advises the member that his or her eligibility has been reviewed electronically and, unless there are changes to report, no further action is needed.

The cover letter instructs the member to complete the enclosed review form and return it to the MEC within the time limit on the notice if there are changes in income, assets, health insurance, household composition, or an eligibility representative or designee Eligibility Representative Designation form.

If there have been no changes in circumstances as described above, the member does not need to return the form and his or her eligibility will remain intact for another year, assuming no changes occur throughout the year.

Additional Information

The important difference between the administrative review form and other review forms is that the administrative review form does **not** need to

be returned if there are **no** changes to report. All other review forms **must** be returned to the MEC or the member's case will close.

Members must continue to report any change in circumstances to a MEC within 10 days of the change.
