

**MassHealth
Community Health Center Bulletin 72
September 2012**

TO: Community Health Centers Participating in MassHealth
FROM: Julian J. Harris, M.D., Medicaid Director 
RE: Express Lane Renewal Process

Background

State and federal laws require that MassHealth perform a continuing eligibility review of every member on an annual basis.

Beginning late in September 2012, an Express Lane renewal process will be implemented for certain MassHealth, Commonwealth Care, and Health Safety Net families who are also receiving Supplemental Nutrition Assistance Program (SNAP) benefits administered through the Department of Transitional Assistance (DTA).

Families who meet the criteria for Express Lane renewal will **not** need to return the annual review form if they do not have changes to report. Their eligibility will continue for another year, assuming no changes occur throughout the year.

Eligible Population

Families will be automatically selected for the Express Lane renewal process if

- they have gross monthly income at or below 150% of the federal poverty level (FPL) as verified by MassHealth;
 - the household contains at least one child under the age of 19 who is receiving active MassHealth benefits and active SNAP benefits;
 - they have monthly income, as verified by SNAP, at or below 180% of the FPL (30 percentage points higher than the highest Medicaid income threshold for a child, as allowed under the screen and enroll provision of Express Lane in federal law); and
 - the household includes members who, if receiving active MassHealth, Commonwealth Care, or Health Safety Net benefits, are also receiving active SNAP benefits.

Review Process

At the time of the annual review, members who meet the criteria for the Express Lane renewal process will be sent the following:

- an Express Lane renewal cover letter (EXR-W);
- an Eligibility Review Verification (ERV) form (ERV-5);
- an Eligibility Representative Designation (ERD) Form; and
- a UNIV-5 (Babel).

Note: If an individual would be institutionalized without community-based services and is receiving a Traditional benefit, the household will be sent a Traditional Express Lane renewal cover letter (EXR-T) and an Eligibility Review for Seniors and Certain People Needing Long-Term-Care Services (MER).

The cover letter advises the family that their eligibility has been reviewed electronically and, unless there are changes to report, no further action is needed.

The cover letter instructs the family to complete the review form and return it to the MassHealth Enrollment Center (MEC) within 45 days if there are changes in income, disability, immigration status, or other changes that may make family members eligible for a more complete benefit.

Note: For Traditional members, the MER must be returned to the MEC within 30 days if there are changes in income, assets, disability, immigration status, or other changes to report.

The cover letter also instructs members that, if they are receiving a Commonwealth Care premium bill, they will continue to be responsible for this bill. In addition, if they are receiving a monthly premium assistance payment, they will continue to receive this payment.

If there have been no changes in circumstances as described above, the member need not return the form and his or her eligibility will remain intact for another year, assuming no changes occur throughout the year.

Additional Information

The important difference between member selected for the Express Lane renewal process and members selected for the regular review process is that members selected for the Express Lane renewal process do **not** need to return the eligibility review form if there are no changes to report. All other members **must** continue to return the review form to the MEC or their benefits will be terminated.

Attachments

Attached to this memo are sample Express Lane renewal cover letters (EXR-W and EXR-T).
