#### R E S O L V E

To authorize the Publication of a list of Massachusetts Soldiers in the late Civil War.

*Resolved,* That the adjutant-general be instructed to prepare for publication, and cause to be printed, as a supplementary report, fifteen thousand copies of a full list of the soldiers of Massachusetts in the late civil war, designating the name, age, rank, and residence at time of enlistment, with date of discharge and reason therefor, of each; also the name of the town or city upon whose quota said soldiers were credited.

*Resolved,* That the publication provided for in the preceding resolve shall be deemed as belonging to the "public series" of documents, and be distributed as follows, viz.: as provided by the statutes for distribution of the public series of documents; to his excellency the governor, two hundred copies; to his

honor the lieutenant-governor, one hundred copies; to ex-governor Andrew, one hundred copies; to the president of the senate and speaker of the house of representatives, fifty copies each; to the members of the executive council, the senate and house of representatives, the chaplains and clerks of the two branches, the sergeant-at-arms, secretary of state, treasurer, and auditor for the present year, thirty copies each; to each reporter in regular attendance, to whom a seat has been assigned by the presiding officer of either branch, three copies; to the door-keepers, messengers, and other officers of the legislature not heretofore enumerated, two hundred and fifty copies, in such proportions as the committee on printing may direct.

The remainder shall be deposited in the document room, under the charge of the secretary of state, to supply legitimate calls and for future exigencies, according to such regulations as the committee on printing may prescribe, pursuant to the rules and orders.

The sergeant-at-arms is hereby authorized and directed, when said publication is ready for distribution, to deliver upon personal application to the members of the executive and legislative branches of the government for the present year, or, if requested so to do, by written communication, to forward to their respective places of abode the copies to which any member may be entitled in conformity with the above order of distribution.
