EXECUTIVE DEPARTMENT
STATE HOUSE • BOSTON 02133

January 21, 1994

To the Honorable House of Representatives and Senate:

We are pleased to submit our budget recommendations for the fiscal year commencing July 1, 1994. Our budget for Fiscal Year 1995 continues the recovery we have worked toward over the course of the last three years. The Weld-Cellucci Administration has balanced every budget since taking office, provided tax relief to the citizens of Massachusetts, taken important steps toward meaningful education reform, and created a climate conducive to economic growth and job creation.

With your support, our Administration will continue to provide the framework for a solid economic recovery—one that affords our citizens a return on their investment. We look forward to working with you as the weeks and months unfold to produce a structurally balanced and fiscally sound budget.

Respectfully submitted,
