To the Honorable Senate and House of Representatives:

We are filing herewith a bill entitled "An Act Continuing Certain Accounts Supporting Capital Projects." This bill reauthorizes unexpended bond-funded items which would otherwise revert at the end of the current fiscal year.

This authorization is necessary to ensure that numerous Commonwealth capital projects can continue without interruption and that employees who are paid from bond-funded accounts will continue to receive their salaries. We urge your prompt and favorable consideration of this bill.

Respectfully submitted,

William F. Weld
