The Commonwealth of Massachusetts

In the Year One Thousand Nine Hundred and Ninety-Four.

AN ACT RELATIVE TO RATES CHARGED FOR SEWER SERVICES IN CITIES AND TOWNS BY THE MASSACHUSETTS WATER RESOURCES AUTHORITY.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 The Massachusetts Water Resources Authority board of
2 directors is hereby authorized and directed to provide all of the
3 necessary resources, financial and otherwise to the Massachusetts
4 Water Resources Authority advisory board so that said advisory
5 board may conduct a cost analysis of sewer service and determine
6 methodology which fairly and equitably assesses the member
7 communities within the Massachusetts Water Resources Authority
8 district for sewer service, no later than July first, nineteen hundred
9 and ninety-four. Such methodology will give due consideration to
10 the volume of flow into and from each community and shall make
11 equitable adjustments for the impact of wet weather flows upon
12 the volume of flow for each community sufficient to encourage
13 each community to maximize the reduction of inflow and infiltra-
14 tion and the relative strength of flow from each community and
15 other relevant factors. Notwithstanding the provisions of any
16 general or special law to the contrary, the Massachusetts Water
17 Resources Authority board of directors shall implement said
18 methodology for the communities within said district no later than
19 July first, nineteen hundred and ninety-five.

20 Notwithstanding the provisions of any general or special law to
21 the contrary, communities within the Massachusetts Water
22 Resources Authority's sewer district are hereby authorized and
23 directed to make appropriate adjustments to fees and charges to
24 meet all financial obligations of said communities to said
25 authority for fiscal year nineteen hundred and ninety-six.
