Mrs. Helen C. Sullivan
Director of Registration
State House, Boston

Dear Mrs. Sullivan:

The Board of Registration in Embalming and Funeral Directing submit to you its annual report for the year ending June 30, 1965.

Two examinations were conducted for the registration as Embalmer, one October 6, 1964 and the other March 23, 1965. A total of 77 candidates were examined. Of this number 64 were successful and issued certificates of registration.

Two examinations were conducted for the registration as Funeral Director, one January 5, 1965 and the other June 1, 1965. A total of 75 candidates were examined. Of this number 65 were successful and issued certificates of registration.

On May 4th and 5th at the Schine Inn, Chicopee, the Board sponsored the Dissemination of Knowledge Annual Educational Clinic. Mr. Paul Buonfiglio acting as Chairman of the Committee, sponsored a very successful educational clinic. Mr. Louis J. Fitzpatrick, Dodge Chemical Company, Boston, again conducted the clinic for the Board. Morning and afternoon sessions were held on both days. These sessions included demonstrations and lectures on the actual technique of embalming. A splendid showing was made by the attendance of many embalmers, funeral directors and apprentices and proves to the Board that the profession look forward to the new and useful knowledge to be gained by the conducting of this clinic annually.

At the annual meeting of the Board held on October 6, 1964, Edward T. O'Brien, Easthampton, was elected Chairman for the ensuing year. Mr. Paul Buonfiglio, Revere, was elected as Secretary for this period.

On November 25, 1964, Mr. Joseph P. Keating, Sharon, was appointed by His Excellency Governor Peabody to replace Rene J. Hebert, Fall River, term expired. Mr. Keating took the required oath of office on the same date.

Respectfully submitted,

Edward T. O'Brien Chairman
