AN ACT RELATIVE TO THE CONVERSION OF A MASSACHUSETTS CHARTERED BANK OR CREDIT UNION TO A FEDERAL OR OTHER CHARTER.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Section 36 of chapter 168 of the General Laws, as appearing in the 2006 Official Edition, is hereby
2 amended by striking out the first paragraph and inserting in place thereof the following paragraphs:—

3 Upon the affirmative vote of two-thirds of the incorporators who vote on the proposal, a savings bank may
4 convert, subject to this section, into a savings bank or savings and loan association chartered under the laws of the
5 United States.

6 The board of trustees, by an affirmative vote of two-thirds of the entire board, shall approve any plan of
7 conversion and submit the plan to the commissioner for his review. Included with the plan shall be an information
8 statement to be sent to incorporators which shall fully and fairly disclose all significant terms and steps to be taken for
9 the conversion and shall include but not be limited to:

- 10 (a) a statement as to why the board is considering the conversion.
11 (b) a statement of the major positive and negative business effects of the proposed conversion.
12 (c) the impact on the financial and other interests of depositors in the savings bank.

13 The commissioner may require changes to the plan of conversion and information statement. The
14 commissioner may also require any equitable disclosure he determines applicable to the transaction. The
15 commissioner may specify the form, type and other material aspects of the plan of reorganization and information
16 statement to be sent to members. The commissioner shall review the contents of the plan before the board of trustees
17 presents the conversion plan to the incorporators for a vote. The commissioner shall approve the contents of the
18 conversion plan and information statement only if the commissioner is satisfied of all of the following:

19 (a) The plan discloses to the incorporators information concerning the advantages and disadvantages of the
20 proposed conversion.

21 (b) The information statement discloses the impact on the depositors' financial and other interests in the
22 savings bank.

23 (c) The conversion would not be made to circumvent a pending supervisory action that is initiated by the
24 commissioner or other regulatory agency because of a concern over the safety and soundness of the savings bank.

25 Upon approval of the contents of the conversion plan and information statement by the commissioner, the
26 savings bank shall call a special meeting of the incorporators to vote on the conversion plan. At least fourteen days
27 before the meeting, the savings bank shall mail to each incorporator a notice of the meeting, the conversion plan and
28 information statement.

29 Certified copies of records of all proceedings held by the board of trustees and incorporators of the savings
30 bank shall be filed with the commissioner. In addition the savings bank shall furnish a certified copy of consent or

31 approval of the federal regulatory authority. Upon acceptance of such charter the savings bank's charter from the
32 Commonwealth shall cease to exist.

33 Any person who willfully violates the disclosure provisions of this section knowing the disclosure made to
34 be false or misleading in any material respect shall upon conviction be fined not more than five thousand dollars or
35 imprisoned not more than three years or both.

36 SECTION 2, Section 37 of chapter 168, as so appearing, is hereby repealed.

41 laws of the United States.

42 The board of directors, by an affirmative vote of two-thirds of the entire board, shall approve any plan of
43 conversion and submit the plan to the commissioner for his review. Included with the plan shall be an information
44 statement to be sent to shareholders which shall fully and fairly disclose all significant terms and steps to be taken
45 for the conversion and shall include but not be limited to:

- 46 (a) a statement as to why the board is considering the conversion.
47 (b) a statement of the major positive and negative business effects of the proposed conversion.
48 (c) the impact on the shareholder's financial and other interests in the cooperative bank.

49 The commissioner may require changes to the plan of conversion and information statement. The
50 commissioner may also require any equitable disclosure he determines applicable to the transaction. The
51 commissioner may specify the form, type and other material aspects of the plan of reorganization and information
52 statement to be sent to shareholders.

53 The commissioner shall review the contents of the plan before the board of directors presents the
54 conversion plan to the shareholders for a vote. The commissioner shall approve the contents of the conversion plan
55 and information statement only if the commissioner is satisfied of all of the following:

- 56 (a) The plan discloses to the shareholders information concerning the advantages and disadvantages of the

58 (b) The information statement discloses the impact on the share-holder's financial and other interests in the
59 co-operative bank.
60 (c) The conversion would not be made to circumvent a pending supervisory action that is initiated by the

68 operative bank shall be filed with the commissioner. In addition the co-operative bank shall furnish a certified copy
69 of consent or approval of the federal regulatory authority. Upon acceptance of such charter the co-operative bank's
70 charter from the Commonwealth shall cease to exist.

71 Any person who willfully violates the disclosure provisions of this section knowing the disclosure made to
72 be false or misleading in any material respect shall upon conviction be fined not more than five thousand dollars or
73 imprisoned not more than three years or both.

75 striking out subsection B and inserting in place thereof the following subsection:—
