AN ACT TO CORRECTLY COUNT 40B UNITS.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Chapter 40B of the General Laws is hereby amended by inserting, after
2 section 21, the following section:-

3 Section 21A. The department of housing and community development can report only those
4 units deemed affordable under HUD or applicable state affordability standards, whichever is
5 more stringent, when counting and reporting units constructed or rehabilitated under this chapter.
6 In order to be counted, said units must also have been built under this chapter using a
7 comprehensive permit. In addition, all units deemed affordable under HUD or applicable state
8 affordability standards, whichever is more stringent, regardless of origin, must be counted when
9 assessing a community's percentage of affordable homes. This change will result in a more
10 accurate assessment of the number of affordable housing units created under this chapter.

11 SECTION 2. This act shall take effect on July 1, 2009.
