AN ACT RELATIVE TO RETURNING PRESCRIPTION MEDICATION TO PHARMACIES.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Chapter 111 of the General Laws, as appearing in the 2002 Official Edition, is hereby
2 amended by striking out section 25I and inserting in place thereof the following section:-

3 Section 25I. The commissioner shall promulgate regulations requiring that either a resident or consultant
4 pharmacist in a health care facility shall return to the pharmacy from which it was purchased all unused medication;
5 provided that such medication is sealed in unopened, individually packaged units and within the recommended
6 period of shelf life, and provided that such medication is not a schedule I or II controlled substance as defined in
7 Chapter 94C. Such pharmacies shall accept all such unused medications regardless of whether such medications are
8 included on any list of unit-dose drugs issued by the department or the division of medical assistance. Any rules and
9 regulations issued by the commissioner shall permit the pharmacy to which such medication is returned to restock
10 and redistribute such medication, and shall be required to reimburse or credit the purchaser for any such returned
11 medication.
