NOTICE OF ACTION

RE: **Service Road, Service Rd and Mill Rd**

Sandwich

1. A request for a variance was filed with the Board by Stephen Rhoads (Applicant) on August 1, 2018
The applicant has requested variances from the following sections of the 06 Rules and Regulations of the Board:

<u>Section:</u>	<u>Description:</u>
22.3	Petitioner seeks relief for an 800' section of walkway with a slope of more than 5%.

- The application was heard by the Board as an incoming case on Monday, August 27, 2018
- After reviewing all materials submitted to the Board, the Board voted as follows:

GRANT relief to 22.3 as proposed on the condition that signage is posted an appropriate distance away in either direction to notify travelers of the slope issue, and information on the affected portion of the walkway is posted on website(s) associated with the Cape Cod Rail Trail in order to allow persons who would have difficulty navigating this portion of the walkway to plan accordingly.

PLEASE NOTE: All documentation (written and visual) verifying that the conditions of the variance have been met must be submitted to the AAB Office as soon as the required work is completed.

Any person aggrieved by the above decision may request an adjudicatory hearing before the Board within 30 days of receipt of this decision by filing the attached request for an adjudicatory hearing. If after 30 days, a request for an adjudicatory hearing is not received, the above decision becomes a final decision and the appeal process is through Superior Court.
