

of public health is hereby authorized, at the request of the department of health, or official body having similar powers and duties, of an adjoining state, to prepare tentative rules and regulations for the protection of the purity of the waters of any lakes, ponds, streams and reservoirs, within any specified drainage area in the commonwealth, tributary to any public drinking water supply for such adjoining state. Tentative rules and regulations relative to any such area prepared under authority of this resolve shall be included by said department of public health in a report which it shall present to the general court for its action thereon.

*Approved February 28, 1936.*

- Chap.* 5 RESOLVE REVIVING AND CONTINUING THE SPECIAL COMMISSION ESTABLISHED TO INVESTIGATE RELATIVE TO THE DISCHARGE OF SEWAGE INTO BOSTON HARBOR AND ITS TRIBUTARY WATERS AND RELATIVE TO CERTAIN RELATED MATTERS.

*Resolved,* That the unpaid special commission, established under chapter forty-two of the resolves of nineteen hundred and thirty-five for investigating relative to the discharge of sewage into Boston harbor and its tributary waters and relative to certain related matters, is hereby revived and continued, and the final report of said commission, together with drafts of legislation necessary to carry its recommendations into effect, shall be filed with the clerk of the house of representatives on or before the first Wednesday of December in the current year. For the purposes of this resolve, said commission may expend the unexpended balance of the amount appropriated by item seven hundred and sixteen a of chapter four hundred and ninety-seven of the acts of nineteen hundred and thirty-five.

*Approved March 7, 1936.*

- Chap.* 6 RESOLVE PROVIDING FOR AN INVESTIGATION RELATIVE TO THE ADVISABILITY OF RESTRICTING OR OTHERWISE MODIFYING CERTAIN RIGHTS AND POWERS OF THE SALEM AND BEVERLY WATER SUPPLY BOARD.

*Resolved,* That the attorney general or an assistant to be designated by the attorney general, the chairman of the Salem and Beverly water supply board and the commissioner of public health or an assistant to be designated by said commissioner, acting as a special commission, without additional compensation, are hereby authorized and directed to investigate relative to the advisability of restricting or otherwise modifying the rights and powers of the Salem and Beverly water supply board to acquire lands, rights of way and easements within the towns of Topsfield, Danvers, Wenham and Hamilton in connection with the furnishing of water by said board to the cities of Salem and Beverly as authorized by chapter seven hundred of the acts of nineteen hundred and thirteen. Said investigation shall be conducted by said commission particularly with a view to the

protection of the interests of property owners adversely affected by the long continuance of the rights and powers vested in said board as aforesaid and the failure of said board to exercise the same. Said commission shall hold hearings at which all parties interested may appear, shall have the power to summon witnesses, require the production of books, records, contracts and papers, and require the giving of testimony under oath, relative to any matter investigated by it under authority of this resolve, and shall report to the general court the results of its investigation, and its recommendations, if any, together with drafts of legislation necessary to carry its recommendations into effect, by filing the same with the clerk of the house of representatives on or before the first Wednesday of December in the current year. *Approved March 12, 1936.*
