Public Housing Notice 2003-05

MEMORANDUM

TO: Interested Parties
 FROM: Carole E. Collins, Director, Bureau of Housing Management
 RE: Proposed Amendments to 760 CMR 5.00 and 760 CMR 6.00
 DATE: July 3, 2003

Pursuant to the provisions of MGL c. 30A §2 notice is hereby given of the Department's proposed action to promulgate amendments to the following regulations:

760 CMR 5.00:	Eligibility and Selection Criteria
760 CMR 6.00:	Occupancy Standards and Tenant Participation for State-Aided Housing

Such action is taken under the regulatory authority provided to DHCD in MGL c. 23B and MGL c. 121B.

A summary of the proposed amendments is as follows:

- The proposed amendments raise rents for all residents living in state-aided public housing to be more in line with other subsidy programs.
- Rents for residents of family public housing will increase from the current amount of 25% or 30% of household income to 27, 30 and 32% of household income.
- Any overhoused household that is living in an apartment larger than their family size requires, who fails to move to an appropriately sized apartment when requested to do so by an LHA will be charged rent at 150% of what otherwise would be due.
- To address rent collection problems and the costs involved in addressing delinquent payments, a late fee penalty of \$25 will be charged to any tenant household which fails to pay rent within 30 days of its due date.
- Provision is made for the collection of debt owed an LHA when it has a monetary judgment and execution through the Comptroller's Set-Off Debt Collection Program.
- The current annual income deduction of \$400 per household for tenants who are at least 60 years of age or are handicapped will be eliminated. This amendment will result in a tenant rent increase of \$10 per month. That deduction will continue for those tenants, who are at least 60 years of age or are handicapped and live in family housing, provided that the household is not overhoused as these residents of family housing will be subjected to a rent increase based on the increased percentage of income charged for rent.

- 760 CMR 5.16 is being amended to require that LHAs maintain their required vacancy information on a web based DHCD system.
- The other amendments are technical amendments.

The Department of Housing and Community Development will hold a public hearing on the proposed amendments on Monday, August 11, 2003 at 10:00 a.m. to 1:00 p.m., at the McCormack Building, One Ash Burton Place, 21st Floor – Conference Rooms 2 and 3, Boston, MA 02108 at which time oral testimony and written comments will be accepted. Written comments will be accepted prior to the hearing and should be directed to: Maura Hamilton, DHCD, Once Congress Street, 10th Floor, Boston, MA 02114. Enclosed with this notice is a copy of the proposed amendments for each regulation. Copies of the proposed amendments will be available for inspection at the offices of DHCD during regular business hours (8:45 a.m. – 5:00 p.m., Monday – Friday) prior to and during the public comment period.

We request that each LHA receiving this notice provide a copy of this notice with the enclosures to each of its LTOs. Thank you for your assistance.

6.03: Definitions

Strike existing subsection 6.04(1) and replace it with the following:

6.04: Rent Determination

(1) Amount of Rent.

- (a) Monthly rent shall be charged tenants of elderly/handicapped housing in the following manner:
 - 1. Where the tenant does not pay for utilities, rent shall be 30% of monthly net household income as determined pursuant to 760 CMR 6.05.
 - 2. Where the tenant pays for some or all utilities, rent shall be 25% of monthly net household income as determined pursuant to 760 CMR 6.05.
- (b) Monthly rent shall be charged tenants of family housing in the following manner:
 - 1. Where the tenant does not pay for utilities, rent shall be 32% of monthly net household income as determined pursuant to 760 CMR 6.05.
 - 2. Where the tenant pays for one or more utilities, but not all, rent shall be 30% of monthly net household income as determined pursuant to 760 CMR 6.05.

3. Where the tenant pays for all utilities, rent shall be 27% of monthly net household income as determined pursuant to 760 CMR 6.05.

(c) In the event the tenant household has been determined to be overhoused and the tenant has failed or refused to transfer to a unit of appropriate unit size offered by the LHA, following any such failure or refusal to transfer, the tenant's monthly rent shall be 150% of the rent which would otherwise have been charged to tenant.

(d) An LHA may round the amount of monthly rent to the nearest whole dollar notwithstanding the fact that rounding upward will cause rent to slightly exceed the applicable percentages set out in 760 CMR 6.04(1) (a), (b) and (c).

Strike existing subsection 6.04 (3) and replace it with the following:

(3) Failure to Pay Rent.

(a) In the event that a tenant shall fail to pay all or any part of the rent within seven (7) days of its due date, the LHA may declare the unpaid rent delinquent and issue a notice of termination of lease. Prior to issuing such a notice, except where the tenant is habitually delinquent in paying rent and has had a prior opportunity for discussion within the prior six months, the LHA shall provide the tenant with an opportunity to discuss the reason for the late payment.

(b) In the event that tenant shall fail to pay all or any part of the rent within thirty (30) days of its due date, the LHA shall impose a fee in the amount of \$25 for failure to pay rent when due. The LHA may also charge tenant interest in accordance with applicable law and with the terms of tenant's lease. If tenant shall have shown good cause for late payment to the LHA, the LHA in its discretion may waive the interest or fee for late payment. If the LHA and tenant shall have entered a repayment agreement the LHA may waive the interest or fee for late payment of the rent which is the subject of the repayment agreement. By charging interest or the fee for late payment of rent, the LHA shall not have condoned tenant's breach of tenant's obligation to pay rent when due, and the LHA shall not thereby waive any rights to issue a notice of termination of the lease, to bring eviction proceedings against tenant and to collect arrearages, constable fees and costs on account of the tenant's failure to pay rent when due.

(c) In the event that a tenant's failure to pay rent due results in a monetary judgment and execution for the LHA the LHA may seek to intercept funds which are otherwise payable by the Commonwealth to tenant on or after January 1, 2005, through the Comptroller's Set-Off Debt Collection Program or successor program in the manner provided by the program and as may be specified in guidelines issued by the Department.

In order to determine net household income, the LHA shall first determine gross household income. Gross household income includes the income items set out in (2) below and excludes the non-income items set out in (3) below. The deductions set out in (4) below are deducted from gross household income so computed, and the result is net household income.

Strike existing subsection 6.05(4)(a) and replace it with the following:

(4) 6.05: Determination of Gross Household Income and Net Household Income Deductions from Gross Household Income.

(a) \$400 for a household living in family housing in which the tenant is an elderly person of low income or a handicapped person of low income, provided that the household is not overhoused.

The lease shall require payment of the fee in 760 CMR 6.04(3) for late payment of rent and may require payment of interest on unpaid rent.
